Brexit is Coming!

FREE Workshop for SMEs: Prepare for Brexit

Will it be a soft or hard Brexit? We probably won't know for some time to come, but we have good news for all businesses who export or are planning to. Brexit strategists **Trade with Europe** explain the effects of Brexit for SMEs and also offer solutions for the most frictionless trade with the EU 27 states and farther afield.

Don't let trade barriers affect your business. Visit our FREE Brexit workshop and learn how you can proactively bypass (most of) them.

Marcus & Mareike Broix

Brexit experts Marcus & Mareike Broix run the Bristol based organisation Trade with Europe, who help UK businesses to export. Their cross border services include a network of service providers, such as

fulfilment warehouses, e-commerce specialists, accountants, lawyers etc. In the UK, but also in the Netherlands and Germany. They also offer ready-made solutions to bypass Brexit trade barriers.
