Dispelling the fear of creativity

Join us to hear how these different business sectors all rely on creativity for their success and growth. Learn what creativity truly means and despite the common fears of creativity, how most of us use creativity in our daily working lives. Learn how you can use creativity and creative thinking to increase your success long term.

Samantha Miles

Samantha Miles is the Co Founder and Creative Director of In Collaboration and owner and designer behind A Thousand Yellow Daisies.

She creates her own series of designs, working alongside other small businesses to produce gorgeous home-wares, stationery and giftware that can be found via Etsy or our Facebook page. Samantha also works freelance on a range of graphic design projects from branding, menu designs, illustration, character design, social media content creation, social media management and creative blogging. In Collaboration is a new online platform dedicated to making collaborative working easier within the creative industries.
