Lighting the Spark – What drives successful people?

Have you ever wondered what distinguishes leaders from the pack? What you need to reach your career highs? Catherine Coates chats to a panel, all enjoying super-success in different fields.

Catherine Coates

Catherine is an independent consultant specializing in why and how companies innovate, development of company R&D project ideas, identifying project partners, and seeking out public sector funding opportunities for R&D projects. Catherine is a graduate of Imperial College and spent much of her working life in the UK Research Councils, most recently as Director, Business Innovation. She is currently a Visiting Researcher at the Centre for Science, Technology and Innovation Policy, University of Cambridge. She is married with two adult children.
