Personal or Professional?

How to Balance Your Brand Online

Luan Wise runs a successful marketing consultancy, providing marketing advice, practical hands-on support, and training for business owners and larger SMEs. She is also a published author, instructor for Lynda.com, LinkedIn's online learning company and an accredited Facebook/Instagram trainer.

Luan Wise

For business professionals, social media can present a huge challenge in terms of getting the 'personal' and 'professional' balance right. During this workshop, Luan will lead a discussion on personal branding and how to get the right balance between personal and professional content online.

Enterprise Nation

Enterprise Nation is the UK's most active small business network and we have helped thousands of people turn their good idea into a great business.
