Recruiting outside the box

With unemployment at a record low, companies are finding it more difficult to recruit the right fit to help their business grow. By looking beyond the 'male, pale and stale' stereotype, organisations can benefit from a rich talent pool.

Peter Anderson

Peter Anderson is a leading authority on positive team development. Practising as a professional dancer and after graduating from the prestigious Rambert school of Dance, Peter now helps businesses and their people define the essence of what drives them, in order to exponentially increase their personal performance. A Ted-X and international speaker, author and leadership coach – Peter's passion is personal development, having helped elite athletes, professional singers, business leaders and their staff exceed their expectations.
